

May 29, 2015

Dear SuzAnn,

Enclosed are the Credentials that you will need for your Information Booth at the Fair.

- A Single Day Courtesy Ticket for each volunteer working the booth.
- A Flower & Garden Show Delivery Permit valid from 6:00 am – 9:00 am to drop off materials and 5:00 pm – 8:00 pm to pick up materials.

San Diego Mycological Society Information Booth date is:

Friday, July 3

Please have your booth set up by 9:00 am on weekends and 10:00 am on weekdays and have volunteers in your booth until at least 5:00 pm.

The Information Booth is a 10'x10' covered booth and we provide tables and chairs for you.

When using the Flower & Garden Show Delivery Permit for drop off and pick up, please enter through the Solana Gate and continue all the way around to the Flower and Garden Show back entrance (follow the map on the back of the permit). **Please check in at the Flower & Garden Show Office.** We will help with your materials and direct you to your Information Booth.

After you drop off your materials in the morning, you will need to park for FREE at HORSEPARK and take the FREE shuttle in or you can pay \$10 to park in the Main Lot in front of the Fairgrounds. After 5:00 pm you will take the shuttle back to HORSEPARK to pick up your car and come back into the Fairgrounds with your Delivery Permit to pick up your materials.

Thank you for volunteering and see you at the Fair!!
